

# WOMEN'S CANADIAN CLUB LONDON

## Event Sponsorship

2025/2026

Women's Canadian Club London Ontario is a not-for-profit organization providing monthly Speaker Events on topics dedicated to preserving our Canadian identity, increasing our awareness and understanding of issues affecting ourselves, our community, and our country. Our organization acknowledges young people's accomplishments in our community through speaking opportunities and scholarships. For 115 years, Women's Canadian Club London has consistently demonstrated its ability to identify & bring outstanding speakers to our events. We currently have approximately 400 members and more than 1,000 social media followers. Our events are open to all community members from London & surrounding areas through membership or the purchase of single event tickets.

Women's Canadian Club London hosts seven (7) speaker events and one (1) musical event each year. With your financial support of one of these events, we will be able to continue to identify and bring outstanding speakers/musicians to the citizens of London & area communities, respond to the needs of our community, and recognize and celebrate our youth leaders. Become an event sponsor today. In return, we can assist you by highlighting your brand and your business.

We invite community leaders like yourself who want to assist us to continue these endeavours for London & surrounding area communities to sponsor an event during our upcoming Women's Canadian Club London season (September 2025 to April 2026). Please contact us via email at [wcclnnpresident@gmail.com](mailto:wcclnnpresident@gmail.com) for more information.
