

WOMEN'S CANADIAN CLUB LONDON

Annual Sponsorship Document

2026/2027

Women's Canadian Club London Ontario is a not-for-profit organization providing monthly Speaker Events on topics dedicated to preserving our Canadian identity, increasing our awareness & understanding of issues affecting ourselves, our community & our country. Our organization acknowledges young people's accomplishments in our community. For 116 years, Women's Canadian Club London has consistently demonstrated its ability to identify & bring outstanding speakers to our events. We currently have approximately 400 members and more than 1,000 social media followers. Our member events are open to all community members from London & surrounding areas, through membership or the purchase of single event tickets.

With sponsorship assistance, we will be able to continue to meet our speaker event mandate, respond to the needs of our community and recognize & celebrate youth accomplishments. Become a sponsor today! Choose your level of support and in return, we offer a range of exclusive benefits. We have various opportunities throughout the season to showcase your organization's brand and highlight your business during our monthly events. We can assist you by increasing recognition of your name, your brand and your business.

We invite community leaders like yourself, who want to assist us to continue these endeavours for London & surrounding area communities, to sponsor this work. Every sponsorship makes a difference. Please contact us via email at wccldnsponsorshipchair@gmail.com for more information.
